Curé of Ars

AWARDS DINNER

Celebrating the Care of Souls, in the Spirit of St. John Vianney

The Curé of Ars Award honors those whose lives reflect the qualities of Christian dedication and service that marked the life of St. John Vianney. The award is presented annually to individuals and organizations who are committed to healing those in need of God's reconciling love, a willingness to contribute their gifts towards pastoral care — especially for the needy and poor — and a commitment to our Church as a primary instrument for the divine-human encounter. We are very pleased to announce this year's honorees: **Rev. Msgr. Richard W. Siepka** and **The Knights of Columbus of Western New York**.

Our formation programs for priest, diaconate, and lay ecclesial candidates remain robust, alive and vibrant. Currently, we have seven men in active seminary formation at St. Mary's Seminary, Baltimore, and two in the Propaedeutic Program at McGivney House in Baltimore. At this time there are 12 diaconate candidates and another six men discerning the call to enter the diaconate program in the Diocese of Buffalo. Presently, there are five lay students who are preparing to assume key roles as ministers and leaders in our Church.

The Future of Our Faith. Men and women continue to courageously answer "yes" to God's call. These individuals in discernment are committed to delivering the Word of God and to be Christ's presence in our parishes, ministries and faith communities. Your support will help those studying for the priesthood, permanent diaconate and lay ecclesial ministries.
